The registration confirmation code you receive enables you to create an Author Account in IEEE Conference eXpress (if uploading a technical session paper) or EDAS (if uploading a workshop session paper). DO NOT share this code with anyone else – it may only be used by you. This Author Account may be used to upload the final publication – ready version of up to three papers.

Check [Additional Item \(EX-03\)](#) for any additional page charges (6th page) in your final paper versions. Payment for all additional pages must be received with your conference registration fees.

PLEASE NOTE: To be published in the IEEE GLOBECOM 2010 Conference Proceedings and IEEE *Xplore*[®], an author of an accepted paper is required to register for the conference at the *full or limited* (member or non-member) rate and the paper *must* be presented at the conference. Non-refundable registration fees must be paid prior to uploading the final IEEE formatted, publication-ready version of the paper. For authors with multiple accepted papers, one full or limited registration is valid for up to 3 papers. Accepted and presented papers will be published in the IEEE GLOBECOM 2010 Conference Proceedings and in IEEE *Xplore*[®].
